# Recharter

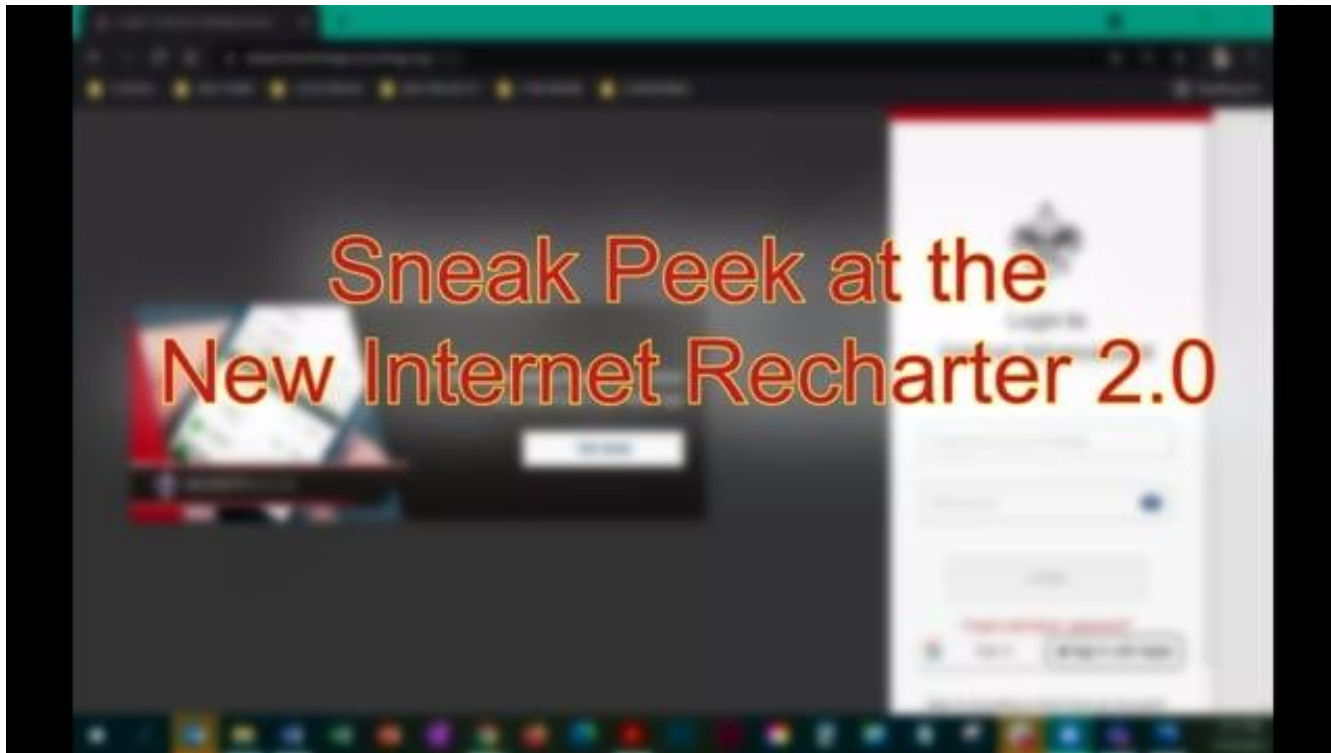

**To improve systems and increase speed and efficiency in processes while reducing costs, the current Internet Recharter system will be phased out. All units with a charter expire date of December 31, 2021, and beyond will be submitted through a new system located in Internet Advancement 2.0 (<https://advancements.scouting.org>).**

**This ONLY affects renewals with a charter expire date of December 31, 2021, or later. All other renewals will continue to take place in the current Internet Recharter system (ScoutNet).**

**More information and training materials will be released in September. See the [FAQ](#) for additional information. Likewise, here's a [sneak preview](#) of the new system!**

# Upcoming Events

- **National Outdoor Conference**
  - **Nov. 5-6 – Virtually, Registration - \$50**

The National Outdoor Conference is Scouting's largest biennial conference for volunteers and professionals charged with delivering the world's greatest outdoor program for youth! The BSA's National Outdoor Conference features over 50 elective sessions, outstanding keynote speakers, vendor exhibits, and fellowship with Scouting's top outdoor leaders.

The focus of the 2021 National Outdoor Conference is on three key areas that will help each of your councils face today's Scouting world:

- **Membership growth through the outdoor programs and camp utilization. Membership growth is critical, and our outdoor programs are a key entry point to Scouting!**
- **Diversity, equity and inclusion in outdoor programs. We are all on a spectrum of "DEI" in our councils and experts from around the camping industry and Scouting volunteers and professionals will lead sessions on this important topic.**
- **Property utilization, maintenance and short- and long-range planning. Camp properties are some of the largest and most important assets in our councils. Sessions and exhibitors will help councils focus on how to maximize usage, plan for the future and maintain our beautiful camps.**

For complete information on the 2021 National Outdoor Conference and to register, visit <https://www.scouting.org/outdoor-programs/2021-national-outdoor-conference>.
