What is a Scout Saver Card?

The Scout Saver Card is a powerful tool that helps Scouts fund their adventures—whether it's summer camp, weekend trips, or high-adventure experiences. For 2025, we are offering a single Scout Saver Card packed with offers from popular retailers across the Midlands and Pee Dee regions of South Carolina. Each card costs \$10 and includes over \$200 in exclusive local savings. For every card sold, the Scout earns \$5 toward their unit account.

Cards will be available for pickup from designated Council Service Centers beginning **May 20, 2025**. The sale concludes on **December 1, 2025**. All funds and unsold cards must be returned to a Council Service Center by this date.

Why should your unit sell Scout Saver Cards?

- **No upfront cost**
- **No risk—return unsold cards**
- **50% commission for Scouts**
- **Proven success in helping Scouts attend camp**

The Scout Saver Card program is an easy, profitable fundraiser that supports Scouting at both the unit and council level.

Unit Scout Saver Card Coordinator

Each unit should have a person designated to coordinate the Scout Saver Card sale. Responsibilities include:

- **Distribute cards and track sales**
- **Communicate goals and deadlines to families**
- **Use the included tracking sheets**
- **Serve as point-of-contact for questions.**

Coordinators should use the tracking sheets provided in this guide to track sales for every Scout.

Policies and Procedures

Cards must be picked up from a Council Service Center unless alternative arrangements are made.

Additional cards may be requested after the initial batch is paid for in full.

Unused cards must be returned in good condition to be credited.

Units are financially responsible for **lost, unreturned, or damaged** cards.

NOTE: Do not send payments by mail, use of Unit Deposit Accounts is preferred.

Units will not be allowed to check out additional cards until their initial allotment is paid for in full.

Returning Unsold or Damaged Cards

Complete cards (with or without detached coupons) may be returned for credit, as long as all pieces are intact.

Units will be charged \$5 for any unreturned or incomplete card.

Encourage families to treat each card like cash—each has a \$10 value.

Payment and Commission Details

- The unit earns \$5 per card sold.
- The unit submits only the Council's share (\$5 per card) to the Council.
- Final payment is due by December 1, 2025.
- Payments must be submitted in person at a Council office.

Units will be responsible for submitting funds based on the number of cards sold or cards unaccounted for. They will keep commission based on the payment schedule above.

Please do not submit the full \$10 to the council. The unit should deduct their own commission prior to paying at a Council office.

Kicking off the Sale

The objectives of your Scout Saver Card kickoff are simple:

- Motivate Scouts with exciting camp goals
- Educating families on the benefits of selling
- Distribute cards and tracking sheets
- Set clear unit and individual goals
- Train Scouts on safe and effective sales techniques
- Launch with energy and excitement!
- Issue a challenge to your Scouts and send everyone home motivated to sell.

Top Tips to Sell Scout Saver Cards

- **Door-to-Door** – Focus on friendly neighborhoods and bring a parent or buddy.
- **Show-and-Sell** – Set up a table at local stores (with permission).
- **Sell at Work** – Parents can help by sharing at their workplace.
- Be sure to teach Scouts how to sell using all three sales methods.
